RATE BOOK.

NENAGH UNION.

Youghal Electoral Division.

NOTE to be placed in the first page of every Rate Book in form No. 1, for the guidance of the Clerk of the Guardians.

1. If the name of any Immediate Lessor who is rated because the Net Annual Value of the Property does not exceed £4 is not accurately known, the words "Immediate Lessor" must be entered in the proper column instead of the name.

2. Before rating any Immediate Lessor on the above ground, it must be ascertained that the Occupier of the Tenement does not occupy any Rateable Hereditaments in the Union of such annual value as to make the whole exceed £4; if he does, the Occupier of the Tenement, and not the Immediate Lessor, must be rated for it.

3. Care must be taken not to rate the Immediate Lessor of any Tenement not exceeding £4, wherein the Occupier has a greater Estate or Interest than a Tenancy from year to year, unless that interest has been created by any Lease or Agreement made since the passing of the Act, 6 & 7 Vic., c. 92, (24th August, 1843,) in which latter case the Immediate Lessor must be rated.

4. Where the Immediate Lessor is rated in virtue of an Agreement with the Guardians, he must be rated by his name.

5. In the case of Hereditaments exempt from Rating under the Act 1 & 2 Vic., Cap. 56, the amount of Rent received by any person in respect of the same, should be inserted in the Column headed "Net Annual Value," and the sum to be inserted in the Column headed "Amount of Rate," must, in respect of such Hereditaments, be calculated on the amount of such Rent at one-half the Poundage of the Rate.

6. The name of the Townland is to be inserted at the head of each page which contains any of the Tenements in such Townland; and wherever the rating of Tenements in another Townland commences, the name of such Townland is to be inserted as a heading; and the proper Poundages for each Townland are to be stated after such heading.

7. After the name of each Townland, where mentioned in the Rate Book, must be stated the name of the Barony or Half Barony, as the case may be, in which it is situate.
