OUR REFEREES

The referees for today's finals are **Sean Moloney** for the senior game and **Michael O'Brien** for the minor game. It is an honour to be chosen to referee a county final and the two men officiating today are highly deserving of this distinction.

Sean Moloney is recognised everywhere as a top class referee in either hurling or football and has refereed all-Ireland finals in both.

Michael O'Brien is also a very efficient referee who has been called to referee many games within the county.

Refereeing is an onerous task. The referee is the Association's authority on the field of play, bearing the responsibility for discipline and control in our games. His position demands the full support and co-operation of everyone in carrying out his duties.

Let us all give this support and show that we give it, today and everytime our games are played.

SCOR SEACHTO

"Scór 70" is the new name for the G.A.A. winter talent competitions. The stages for the competitions are:—

- 1—In the Club.
- 2—In the Division.
- 3—In the County.
- 4—In the Province.
- 5—All-Ireland Finals next March.

The club competitions will be carried through in Tipperary during October and November, in singing, motion speaking, instrumental music, step-dancing, set-dancing, recitations and question time.

What talent can your parish produce to represent your club at the County Finals?

Winners in the County Finals will represent Tipperary in the Munster championships.

G.A.A. CLUB DEVELOPMENT SCHEME

The new club development in the G.A.A. is designed to provide a community service for the people and especially for youth. The new community centres will be places where people can go to enjoy themselves in an atmosphere that is pleasantly Irish. Centres completed or in course of erection are: Na Piarasaigh, Limerick; St. Finbar's, Cork; Clara, Offaly; Ceannanus, Meath; Athlone, Westmeath; Tralee, Kerry; St. Vincent's, Dublin; Crossmolina, Mayo; plans are afoot for many other centres including Sarsfields, Thurles.

This huge programme calls for large financial resources. The Club Development Credit Scheme already has attracted over £140,000 in investments to supply the capital required.

A quota has been set for each county to reach in investments. So far Tipperary is one of the leading counties in the race to reach the quota. You can help by investing in the scheme. You will be playing a part in providing the centres and amenities that are so badly needed in these times. Your investment will be guaranteed. You have a chance of winning one of the monthly prizes of £500. You are not asked for a subscription, you are asked for a loan. Invest in the G.A.A. Club Development Scheme.
