

N.B.—In writing out this Roll keep the Names of the Pupils of same class, as far as possible, on same page. Place the names of the Paid Monitors to be examined for Results after names of the ordinary pupils of the class in which they are to be examined.
After having made the necessary notings from this Roll, as to pupils eligible for promotion, Teacher is requested to send it immediately to the Education Office where full details of the marks obtained by the pupils examined will be inserted for the information of the Manager and the Teacher.
