

In writing out this Roll keep the Names of the Pupils of same class, as far as possible, on same page. Place the names of the Paid Monitors to be examined for Results after names of the ordinary pupils of the class in which they are to be examined.

When this Roll is received together with the Marking Paper, in the Education Office, all the marks assigned by the Inspector will at once be transcribed from the latter document to the Roll, for transmission to the School.

After entering in the School Register the marks obtained by the pupils, the Teacher will be careful to return the Roll to the Office of National Education, as soon as possible, in order that such marks as under the Rules cannot carry fees may be indicated, and the Roll thus perfected, be sent to Manager and Teacher for permanent custody in the School.
