Mar Chathaoirleach ar an gCoiste thiar, cuirim fáilte romhaibh go léir do na cluichí ceannais iománaíochta. Gabhaim buíochas leis na fóirne a ghlac páirt sna comórtaisí go dtí seo agus leis na daoine a chabhraigh leo.

To-day the showpiece of our Divisional Championships, the Senior Hurling Final, brings together defending champions Cappawhite and Cashel King Cormack's.

Both these fine clubs are hurling strongholds and owe much of their present success to their attention to under age teams.

I wish both teams success to-day and hope that they will go further and bring back a long overdue County Title to the Division.

I would like to congratulate the host club Galtee Rovers/St. Pecauns on this their Centenary Year. They have brought glory and honour to the Division in winning thirteen Divisional and five County Senior Football titles and they have a fine tradition in producing top class referees for our games.

BRENDAN O RIAIN, Cathaoirleacht.

Coiste Thiobraid Aran Thiar.

## ADDRESS OF CLUB CHAIRMAN

On behalf of the Galtee Rovers/St. Pecauns club, it gives me great pleasure in welcoming today's finalists — Cappawhite and Cashel King Cormacks to Canon Hayes Park in this our Centenary Year.

I wish both teams success and hope to see a game worthy of the occasion.

A special word of thanks to our Field Committee on having the field in such excellent condition and to all other club members and helpers for ensuring that today is a success.

I would like you, the supporters, to enjoy yourselves and please co-operate with the stewards.

**1885 — 1985**

**by David Moloney**

A hundred years is a very special occasion in any walk of life and so this year marks, for us, a century of affiliation to the Gaelic Athletic Association, although Gaelic games were played in the parish way before the G.A.A. was formed.

In the year of its affiliation in 1885, the club adopted the now familiar red and white colours instead of the old green jersey with a red sash.

Our first appearance in the County championship was in 1889, when the club affiliated a Senior Football team in the South Championship, but we had to wait until 1912 for our first Divisional title when led by the great Jack Kennedy we beat Mullinahone 2-2 to 1-3 in a controversial game. Mullinahone had been nominated by the South Board to contest the County Championship and duly won, Bansha went on to beat Mullinahone in the South final and Bansha objected to the Munster Council having beaten the County champions, but lost the appeal.

John Cullinane of Bansha was a very prominent official in the early days of the G.A.A. He was a member of the first Central Council and was part of the famous American invasion of 1888. In that year also he had the honour of refereeing the first All-Ireland Senior Football Championship between Limerick and Louth, played at Dublin. So began the fine tradition of top flight referees from the parish. This tradition has been kept prominent in recent times by John Moloney, who has proved without doubt to be one of the best referees in modern times and has received every honour in the game. Today's Senior final referee, Paddy Lonergan, is just beginning his Inter-County career and has the ability to go to the very top.

Hurling came into prominence in the parish in the early twenties, when a team from Kilmoyler, captained by Ned Crowley, won the South Senior title of 1923, and were unlucky in the County final to be beaten by a North selection. The lone surviving member of that great team is Bill Tierney of Cappa.

The golden era of the club began in 1949 and lasted 'till 1954, winning two County Senior Football titles in 1949 and 1950 and six consecutive West titles between those years. This was the era of Larry Maher, Larry Quinn and Jim O'Connor and it was the success of this great team that fashioned the club into a football stronghold. We had to wait until the mid seventies for a return to prowess, but between 1976 and 1981 the club played in six consecutive County finals winning three in '76, '80 and '81.

The secret of our present success lies in the attention paid to our Juveniles from the mid-sixties onwards when many good under age teams were kept together under the guidance of John Moloney. Today the Juvenile Committee are as active as ever and hold parish leagues on a regular basis.

So as we enter our second Century the immediate challenge facing the club is the replacing of the present Community Centre with new dressing rooms and a function room. Twenty thousand pounds has already been collected by a very active Development Committee under the guidance of Seamus Grogan, work is expected to begin on the new building by the end of September.

## CASHEL KING CORMAC'S

.....a short history

by Seamus King

To-day, Cashel will be seeking their thirteenth West Senior Hurling title, their first was in 1934.

They were underdogs for that 1934 final as their opponents, Clonoulty, had lorded it in the West since the formation of the West Board. Michael Burke remembers "We were afraid of our lives of the opposition— They were big men, they had Jack, Larry and Mick Ryan "Fox" and others, but we were young and fit and ran them off their feet.

Playing on that victorious team was Mickey Murphy, who went on to establish a club record for West Senior Hurling successes. He played on the winning 1936 team that defeated Golden Fontenoy's 6-2 to 4-1 in the final at Clonoulty on August 30th. Cashel completed a double by beating Clonoulty in the 1937 final.

Cashel won another double in 1939 and 1940. In the former year they defeated Golden and retained the title in 1940 when they defeated Clonoulty at Dundrum to become the first holders of the new Divisional Cup, the O'Dwyer Cup.

They had to wait until 1945 for their next success when they defeated Eire Og at Cashel. One of the stars of that team was Jim Devitt and his brother Pat was the captain.

Cashel and Mickey Murphy won their seventh title in 1948, on September 5th, at Golden, their opponents were Kickhams. Mickey Murphy was the only player from the 1934 team.

Cashel had to wait until 1965 for their next success, beating Eire Og at Golden. This was the first of five titles for Peter O'Sullivan. He remembers it as the most satisfying. "It was a fantastic final. There was a great atmosphere among the members of the team. Eire Og had two goals early on. I remember, to my regret that Gleeson of "Concrete" fame, buried me in the net, but I learned". Three other players won their first of five titles that day, John Darmody, Angus Ryan, Patsy O'Connor, the other four were in 1971, 1975, 1976, 1980.

The Cashel team for to-days final contains an array of talent. Tommy Grogan and Tony Slattery won Minor and U/21 All-Irelands with Tipperary in 1976 and 1979 respectively. Cormac Bonnar won two U/21 All-Irelands in 1979 and 1980 and Sean Slattery and Colm Bonnar won All-Ireland Minor medals in 1982. Others to have played regularly with the County at different levels are Pat Fitzell, Joe Minogue, Pat O'Donoghue, and Jerome Whyte.

# CAPPAWHITE G.A.A. CLUB

Cappawhite G.A.A. Club was founded in 1886. The early years of activity were confined to football. In 1910, Cappa were defeated in the Mid. S.F. final by Borrisoleigh, who went on to County honours.

The first taste of success was achieved in 1913 when Cappa won the South Junior Hurling Championship, defeating old rivals Hollyford.

With the founding of the West Board in 1930, at the Golden Vale Hall, Cappawhite finished its search for a Division. George Furlong represented the club at that historic meeting. A combination from Cappa and Donohill won the first ever West Tipp Junior Hurling title in 1930. Pat Furlong was a member of the Junior County team that figured in the Triple Crown success of 1930.

The '40s were golden for the club, with Cappa capturing the County Junior titles in 1942 and '48. This was the era of the late great Willie Barry who won an All-Ireland Senior Hurling Championship medal with Tipp in 1937.

In 1957, Cappa united with Glengar/Solohead to form St. Nicholas Senior Hurling team and they had a notable West final victory over Kickhams who were going for their eight West crown in succession. The club's Juniors captured the Divisional title to make 1957 a golden one.

Another glorious era of caman wielding by the Cappa men and youth was heralded by the advent of Fr. James Power as curate in Cappawhite. In 1961, united with Annacarty under the name of St. Vincents, the Cappa men brought the West Senior title back to the combo. The Junior title was also captured the same year.

Under Fr. Power's expert tuition the Cappa Juveniles had a great spell in 1961 and 1962 winning West and County titles in Hurling and a West Football crown also. Three years later these youth matured to bring a County Minor Hurling victory to the parish. In 1965 the County U/21 Championship was taken.

The seventies were very successful for Cappawhite, e.g., 1977 two Counties were recorded U/21 Hurling in combo with Eire Og and Junior Football.

After three epic games with Galtee Rovers, Cappa won the West Senior Football final by 0-7 to 0-5. That same year Cappa captured three other West's; Minor and U/21 Hurling and Junior Hurling.

In 1983, Cappa broke the barren spell of the Senior Hurlers, when the West Senior Hurling Championship was brought home, a feat they repeated in 1984. And now 1985 is here and the lads from "the lovely village" are but one step from their third success at Senior level. Can Cappa do it? The question will be answered today.

## THE LATE BILL HAYES

One man who would have been among the attendance at today's West Final, if the grim reaper hadn't made the unwelcome call less than a fortnight ago, is the late and loved Bill Hayes. For sheer length of service, his fifty one years as Board Registrar, marked him as a unique personality in the Division's fifty five year history.

Bill was both an institution and a character in the best sense of both terms. He seemed ageless. He was there almost from the founding of the Board in 1930 and year after year Bill's presence was virtually taken for granted—a rare absence would be more noted than his presence. He was "Mr. West Board" itself who had seen officers come and go, had indeed fought a number of ballots to retain his own post, and seemed as indestructable and timeless as the mountains which overlook Bansha's Park today.

But Bill was also a character, a rare individual whom you simply couldn't typecast as "Mr. Average". For him the social side of the G.A.A. was as important as the games themselves. He wasn't one to miss the chat and banter of a gathering where he could joke and taunt in his own roguish way. Even harsh words from Bill didn't seem harsh because behind the sounds you knew from the glint in his eye that there was a fun-loving intent in his brusque utterances.

In the sadness of Bill's passing it was amazing how little was known about the man's past. I myself got some glimpse of it last December as we waited together outside the meeting hall in Dundrum for a finance meeting to end before the start of a Board meeting. In the midst of a few typically brash statements about what the hell they were doing at the meeting and why couldn't they speed it up, a few teasing questions set him reminiscing about his early years. He spoke about being born in Tipperary town and reared in Hollyford; about his emigration to America in the late twenties and the horrible depression that he met; about how he scrounged to survive in "Uncle Sam's" land; about the long boat journey home with the Tipperary team in 1931 and the various escapades where he tried to shelter stowaways and how he himself was then mistaken for one; and finally his relief at setting foot on home soil again. What he didn't tell was that when he got off the boat at Queenstown (Cobh) his happiness to be home was such that he went (Pope-like) on his knees and kissed the ground.

Then began Bill's lengthy association with the West Board which lasted to his death. He never played much, but he did it seems at one stage line-out with Arravale Rovers in both hurling and football games. He also refereed. In other areas he was prominent as in the L.D.F. and later the F.C.A. But always the West Board remained his abiding love, the centre of his life.

Bill was I suppose in the most affectionate sense a simple man. He wasn't one for sophisticated or colourful language or long-winded eulogies. I could just imagine him seeing this being written and he'd surely urge to "cut the crap and keep it short". Yes, indeed, all we need now is a fine day, a good attendance, both teams properly registered and somewhere in his "Misty Abode" Bill, with a drink and a villainous smile will admire the work. Rest peacefully, Bill, your spirit remains with us.

J.J. KENNEDY.

## 50 YEARS AGO... compiled by J. J. Kennedy

Half a century ago, the year being 1935, Knockavilla and Donaskeigh joined to form the Kickham club and met Donohill in the Senior Hurling West Final of that year. The only other teams in the championship were Cashel K.C., the defending champions, who were ousted by Kickhams in the first round, and Arravale Rvs. who were put out by the Donohill men. The final was played at Donaskeigh on August 25th. The Tipperary Star headed its report. "SPLENDID GAME AT DONASKEAGH" and the following are some extracts.

KICKHAMS 7-4 DONOHILL 4-1

Before a fine hosting of Gales from the surrounding districts the curtain rang down on the West Tipp Senior Hurling Championship at Donaskeigh on Sunday last. It was won by Kickhams, representing the joint parishes of Knockavilla and Donaskeigh. Their opponents were their clubmates of last year, the sturdy, rugged men of Donohill, but the enforcement of the parish rule threw each parish on its own resources. The game was one of fierce tackling and close marking.....a very pleasing feature of the play was the almost complete absence of frayed tempers, so infectious of late. "The honour of the little village" was the watchword and the game of our fathers the propelling momentum. John Hennessy, Emly had charge of the whistle and creditably acquitted himself.

### A DING-DONG GAME....by "FULL TIME".

The score suggests a one-sided game. 'Twas the reverse. Right through the hour from the first to the last whistle it was a ding-dong game with hard going all the time. Many of the winners scores were obtained more or less from faulty goalkeeping which is not uncommon nowadays. Kickhams victory over Cashel in the first round put the verdict in their favour. But the display put up by the Donohill selection, new to Senior Hurling, was tip-top and more or less unexpected. Kickhams had one change from the team which defeated Cashel; Tom Duggan coming in in place of McKenna and he capably filled his former position between the posts. J. J. Lysaght was again in rare form with Crosse, Hogan, the Ryans and Dwyer in the picture all the time.

Donohill are not far from S.H. honours in the Division and with the factors necessary, thorough training and more matches, they could be the next to come on top. Jack and Denis Heffernan and Barry were in the thick of the fray and worked hard to keep the winners out.

Kickham team: J. J. Lysaght (capt.), C. Crosse, T. Crosse, James Ryan (S.), J. Hogan, S. Guilfoyle, James Ryan (C.), T. Ryan (P), T. Moloney, D. Ryan, T. Duggan, J. Murray, James Ryan (G), J. O'Dwyer, M. Heffernan.

Donohill team: D. Heffernan, J. Heffernan, R. Heffernan, M. Ryan, P. Hanly, T. Hanly, John Ryan, J. Ryan, D. Horgan, M. Doherty, T. Doherty, J. Hanly, D. Breen, J. Ryan (J), W. Barry.

P.S.: In the County semi-final, Kickhams lost to Carrick Swans by 6-3 to 3-2. Question?: Does anyone know who this mysterious "Full Time", quoted in the extracts above, was? If so, we'd like to know.

### OTHER WEST CHAMPIONS IN 1935.

Junior Hurling:- Golden Fontenoys—D. Looby (capt.), P. Aherne, G. Looby, J. Currivan, D. Doyle, M. Stritch, E. O'Donnell, J. O'Donnell, J. Holden, G. Doherty, W. O'Donnell, T. Nevin, M. Cleare, S. Currivan, T. Looby. Golden Fontenoys lost to Ballingarry in a replay of the County semi-final.

Junior Football:-Galtee Rvs.—P. Quinn, P. O'Sullivan, P. Quinn, W. Grogan, D. Lyons (capt.), M. Blake, J. Blake, J. Quirke, J. O'Connor, M. Quinn, S. Regan, P. Bergin, T. Butler, J. Hayes, M. Mullaney, W. Roche. The Rovers lost to Drangan in the County semi-final.

Minor Hurling: Cappawhite—Not much information is available about this championship. Perhaps someone can fill in the details and maybe name the Cappa team. W. Kearins was the captain of the side.

## DID YOU KNOW.....

Excluding combinations only two West Tipp clubs have taken both Senior Hurling and Senior Football Divisional titles. Arravale Rovers were S. F. champions in 1955, '72, '73, '81, '84 and S. H. champions in 1966 and '70. Cappawhite were S. F. champions in 1978 and S. H. champions in 1962, '83 and '84.

Cashel K.C. are the only West Tipp club to win County titles in both Minor Hurling and Minor Football—they achieved the memorable double in 1974.

The last West Tipp team to contest a County Senior Hurling Final was Clonoulty/R. in 1951. After dethroning Kickhams in the West final in which Tony Brennan gave a marvelous display Clonoulty/R. went on to topple County champions of the previous two years, Borrisoleigh in the County semi-final by 3-7 to 1-8. However, in the County Final they were outclassed by Holycross who won by 5-15 to 1-4. The Clonoulty/R. side was: J. Gleeson (goal) D. Purcell, M. Kinnane, P. Quirke, J. Davern, T. Brennan (capt.), P. Ryan, L. Shanahan, J. Kearins, J. Ryan, J. Quirke, P. Ferncombe, B. Ryan, J. Hennessy, M. Maher. Sub., P. O'Shea.

In 1965, Cappawhite achieved a double unique among West clubs when they took County U/21 and Minor Hurling titles in the same year. In fact no west club has won both U/21 and Minor Hurling County Titles in any year. The Cappawhite Minor team of 1965 which defeated Moyne/Templetuohy in the final by 5-6 to 3-3 was: M. Barry, T. Hogan, J. Kelly, J. Grisewood, J. Ryan, M. Fitzgerald, P. O'Neill, J. Buckley, T. Crosse, M.J. Coughlan, P. McDermott, J. O'Neill, P. O'Neill, J. Carroll, L. Breen.

The Cappawhite U/21 team which defeated Carrick by 5-14 to 2-8 in the 1965 County Final was: M. Barry, M. Buckley, J. Kelly, B. Barry, M. Ryan, M. Fitzgerald, S. Treacy, P. Hayes, T. Crosse, P. McDermott, J. Buckley, P. O'Neill, D. Breen, L. Breen, Paddy O'Neill. Sub. J. O'Neill for P. Hayes (injured).

1972 was a memorable year for Arravale Rovers footballers. In the West they achieved a remarkable hat-trick by taking the Divisional Senior, Minor and U/21 titles and went on to add County titles in Minor and U/21. Four players were on all three teams namely: Ted and Mick Crowley, Jack Shanahan and Mick McCarthy.

### GALTEE ROVERS / ST. PECAUNS CLUB CREST

This Crest was commissioned by the Centenary Committee under the Chairmanship of Seamus McCarthy as part of our Centenary celebrations.

It depicts a river flowing through rich pastures—Bainseach—with a church and holy grounds close by—St. Pecaun's well and church. In the background are the Galtee mountains which stretch from Cahir, at one end of the parish to Galbally at the other end.
