*Is mor an onoir domsa failte a chur roimh go leir go cluiche cheannais feir sinsear Tiobraid Arann Theas, agus is do liomsa go mbeigh cluiche go munteach agus go anna maith againn anso inniu.*

*It is indeed an honour and a privilege for me to welcome, on behalf of the Board, the Gaels of South Tipperary to Kilsheelan for the Clonmel Oil Senior Football final between Moyle Rovers and Fethard.*

*This clash of giants has been eagerly awaited since their county semi-final meeting. Both teams have players of exceptional ability who have graced the inter county scene with distinction. It promises to be an enthralling encounter with football of the highest quality. I would like to express our sincere thanks to Clonmel Oil Co. for their generous sponsorship of this prestigious championship.*

*Killenaule and Swans get the proceedings underway in the Intermediate Football semi-final, a game that has the hallmarks of a gripping contest. The day is completed with a mini game organized by our youth officer, Brian Tyrell, when the juveniles of our division will display their undoubted talent. This game was most entertaining at our Senior Hurling final.*

*We wish Seamus Roche (Senior) and Tommie Lonergan (Inter) and their officers, the best of luck on this great occasion.*

*Finally, may I sincerely congratulate the Kilsheelan Club on the completion of their excellent new dressing rooms.*

*On behalf of the Board may I extend good wishes to the participating teams and officials and I earnestly hope that our loyal supporters of our national games will witness a spectacle of football that will bring pride and joy to all concerned.*

## Na Réiteoirí

It is fitting that today's games in Kilsheelan will be handled by two referees from the local club.

One of the County's most experienced officials **Tommy Loneragan** will have charge of the EirCom IFC Semi-final. Tommy has officiated at all levels over a long number of years and is still in keen demand.

**Tommy Loneragan**

**Seamus Roche** who will have charge of the Clonmel Oil S.F. Final is a young official who in a few short years has come to be regarded as one of the country's most promising officials and he looks set to go to the top.

**Seamus Roche**

**Danny Cahill** from Ballyporeen one of a group of new referees introduced during the past year will be in charge of the Mini Game.

## MOYLE ROVERS ROAD TO GLORY

*As we reflect on the successes of the present decade the question has often been asked as to what happened to make it come about. As we all know things just don't happen, they have to be made to happen.*

*A decision was made in 1976 to put in place a strong juvenile arm in our club which would form the foundation for future years. This was done and although the initial years were lean the breakthrough was made in 1982 when we recorded our first county Under 14 rural final. Although success was not our lot on that occasion this team contained at least eight who were eligible again for this grade in 1983.*

*Fr. Christy McElwee, a former Tipperary footballer, was approached to act as coach for 1983; he was delighted to accept and with some others plans were laid out for the 1983 campaign. This Under 14 team was never beaten during the 1983 campaign, they played 14 matches, won 12 and drew 2. The two draws were in the two county finals,*

P. Casey, L. Chawke.*

*Front row L/R: K. Bates, A. O'Dwyer, E. McCormack, P. McCarthy, B. Boland, J. McGrath  
(Cpt.), A. O'Byrne, N. Sibley, P. O'Connor, K. O'Connor, R. Boland, M. J. Browne, seated  
D. Bates, missing from photo P. Mulhall.*

*Urban/Rural -v- Durlas Og and Rural -v- Golden. We won the two replays making us county champions in both competitions. This was a truly wonderful team scoring 40 goals-108 points against 13 goals-22 points.*

*This team went on to win the County Under 16 championship in 1985 and in an amalgamation with Grangemockler many of the players from the Under 14 team won two County Minor and two County Under 21 titles.*

*The first big breakthrough at Senior level came in 1991 when we won our first ever South Senior Football title beating today's opponents Fethard in Kilsheelan. Nine of that 1983 Under 14 team went on to play Senior Championship games for the Moyle Rovers. Seven of that team are still on the Senior panel and four are lining out today.*

*The formation of a strong juvenile sector in my mind was the catalyst that set up the successes that are ongoing through to today. The juvenile arm of our club has gone from strength to strength in recent years and will hopefully form the foundation for a healthy Moyle Rovers club in the next millennium.*

Best wishes to Fethard Team

*What a year it has been to date in Fethard football; already having won U21(A) championship Minor (A) championship in Junior (A) semi-final and today we are contesting Senior going for our 26th title this century. Winning our first 1914 our 21st 1984 and our last title in 1997. In the nineties we are going for our 4th to equal Moyle Rovers, having been beaten by them when they won their 1st title in 1991. To date in the nineties we have contested four finals, losing just the one and we have only met today's opposition once in the finals of the nineties winning '92, '93 and '97.*

*Our path to the final started on 11.4.99 beating Commercials 1-14 to 2-6 on 25.4.99 we lost to Moyle Rovers 2-12 to 1-5 but on 15.5.99 we beat Ardfinnan 3-17 to 0-12 and we finished our campaign on 28.5.99 beating Cahir 3-10 to 1-4. In the semi-final we again met Commercials winning 0-14 to 0-10 on 27.7.99. The team is over 3 months awaiting the South Final. To all involved best of luck today "True Blue".*

## THE GAELIC ATHLETIC ASSOCIATION

The Gaelic Athletic Association today is an organisation which reaches into every corner of the land and has its roots in every Irish parish. Throughout the country, legions of voluntary workers willingly make sacrifices to promote its ideals and carry its daily burdens. Why does the Association receive this unselfish support?

Those who play its games, those who organise its activities and those who control its destinies see in the G.A.A. a means of consolidating our Irish identity. The games to them are more than games - and the promotion of native pastimes becomes a part of the full national ideal which envisages the speaking of our own language, music and dances. The primary purpose of the G.A.A. is the organisation of native pastimes and the promotion of athletic fitness as a means to create a disciplined, self-reliant, national-minded manhood. The overall result is the expression of a people's preference for native ways as opposed to imported ones.

Since she has no control over all the national territory, Ireland's claim to nationhood is impaired. It would be still more impaired if she were to lose her language, if she failed to provide a decent livelihood for the people at home, or, if she were to forsake her own games and customs in favour of the games and customs of another nation. If pride in the attributes of nationhood dies, something good and distinctive in our race dies with it. Each national quality that is lost makes us so much poorer as a nation. Today, the native games take on a new significance when it is realised that they have been a part, and still are a part, of the nation's desire to live her own life, to govern her own affairs.

## MOYLE ROVERS - KEVIN O'CONNOR

*Kevin first tasted championship success with Moyle Rovers, along with his brother Paul, when he was part of the Under 14 team that won the 2 County and 2 South Championships in 1983.*

*Further success followed for Kevin at U16 Minor and U21 winning South and County Championship medals. He won a South Junior Football medal when the club won the championship in 1989. After his display in that championship, it was only a matter of time before he would make the senior team. He played a vital role in the club's first senior success in 1991 when the South championship was won beating today's opposition, Fethard, who were then county champions of that year.*

*Kevin has been part of all Moyle Rovers successful teams in recent years and he is the current holder of 4 South and County Senior football championship medals, 4 South Junior hurling medals, South Junior football medal. In 1998 he played a major contribution to the club winning their first County Junior hurling championship. He also has 2 Clonmel Oil Senior football league medals, 1 Tipperaryman's Cup Medal. In 1998, which proved a very successful year for Kevin, he also won a County Junior Factory League medal. Kevin is a most versatile player having played in every position on the football field with his club.*

*No matter what happens he will always give 100 percent to his club both on and off the field of play. In his spare time he can be seen at Powerstown School or at Moyle Park coaching our young players. He has also been a member of the Tipperary Junior football team and the County Intermediate hurling side in recent times. Employed by Willamette Europe Ltd., Redmonstown, he is married to Brenda and has three sons, Eoin and twins Daragh and Aaron.*

## FETHARD - WILLIE O'MEARA

*The gentleman of Fethard present day football. His skills and leadership has been a joy to watch since he first put a Fethard jersey on in the early seventies. Married to Bernadette (nee Houlihan), a noted camogie player with St. Rita's, they have 1 girl, Molly, "the apple of his eye". He won his first County Minor Medal in 1985 having in 1984 added a South Junior (A) football title. Again in U21 football he won the South and county title in 1987. His career as a player blossomed from '85 winning 5 South titles to date, '85, '88, '91, '93 and '97. Today aiming for his 6th Senior South title. He has also added to these four County Senior medals '88, '91, '93 and '97. Probably his finest*

*hour was when he captained Fethard in '93 to win South and County titles. He is probably Fethard's most versatile player, being as happy as a forward or as a back. He is noted by his fellow players as a very fair and honest player who always gives of his best. At No. 6 where he has spent most of his career he is always admired for his style, elegance and ability to read the game. On the ball he is most comfortable and displays excellent handling and distribution of the ball. In his early days he was a noted hurler playing in the forwards.*
