Fáilte Ón gCathaoirleach

I would like to welcome all our patrons to the replay of the Glanbia South Senior Hurling final that takes place in Fethard Sportsfield this evening.

The drawn game represented all that is good in our National games, great skill great sportsmanship from the team's involved and great weather all culminated in what was a memorable day in Fethard.

This evening we look forward to more of the same from Ballygarry and Killenaule two Clubs where Gaelic games and hurling in particular play a huge part in the lives of the people. Since the drawn game this eagerly awaited replay has been the topic of conversation throughout the Division and particularly in the Clubs involved. There has been rumour and counter rumour of injuries to key players on both sides and speculation on what way the teams will line out on the day. This is all part and parcel of the scene and whets the appetite among players and supporters alike to be present and part of another great occasion. I wish all the players and their team management the very best of luck as they strive to put their Club name on the Ryan Cup for 2005.

I wish to thank our sponsors Glanbia for their continued support for our Senior Hurling championship and I ask our patrons to acknowledge that support in every way possible.

The curtain raiser for today's final is a play off game between Ballybacon Grange and Clonmel Og in the M.K.Sports sponsored Minor Hurling B championship. I welcome both these young teams to Fethard and hope they enjoy their game as part of a great occasion.

Finally I wish the best of luck to the referees and officials for today's games Tommy Ryan from The Kildangan Club in North Tipperary referees his first South Senior Hurling Final and Paddy Ivors from the Ballygarry Club referees the Minor hurling game. A word of thanks and praise for the Fethard Club for their excellent arrangements on the day of the drawn game and I am confident and sure that that performance will be repeated today.

*Barra Ó Briain, Cathaoirleach*

## CLÁR AN LAE
