## Failte Ón gCathaoirleach

Ba mhaith liom failte roimh gach éinne go Cluain Meala inniu le-haghaidh Cluichi Cheannais Iomana Thiobraid Arann Theas. Ta suil agam go mbeidh cluichi den scoith again agus go mbeidh an bua ag an bhfoireann is fearr.

I extend a warm welcome to the Players, Officials & Supporters to Clonmel today for the South Senior Hurling Final between C J Kichams Mullinahone and Carrick Davins. This years final takes on a special significance as the two teams have not met in a final for 16 years (1995) with Mullinahone, successful on that occasion and Carrick Davins hoping to add to their 11 Titles, the last in 1979(32 Yeras Ago) they will be hoping to lift the Tomas O'Rian Cup.

I would also like to welcome all to Clonmel this evening Muintir Sceitharince agus Cathair Dun Iascaig who will contest the Minor B Hurling Final for the Jimmy Fennessy Cup. Both of those teams have had many a great tussle at underage level over the last number of years and todays final should be no exception. Good luck to both teams.

During these very difficult economic times I would like to thank our supporters and patrons for their continued support.

I would like to wish our Referees today and their Officials the very best of Luck at todays games. Congratulations to Noel Cosgrove our Referee in charge of the South SH Final and to Pa Shelley who takes charge of MBH Final.

Finally to our hosts Clonmel Commercial & St Marys I say a sincere thank you for presenting your outstanding facilities as a most suitable venue for what promises to be a feast of hurling.

## 2011 SENIOR HURLING SOUTH FINAL PREVIEW

Carrick Davins are through to their first final appearance in 16 years. This year Carrick Davins brought a breath of fresh air to our Senior Hurling Championship with the Carrick local derby played in Davin Park the highlight to date. The League Championship was very interesting this year with every game on a knife edge to see who would make the last four. With Killenaule, Mullinahone, Carrick Swans & Carrick Davins all making it to the Semi Final. Carrick Davins v Killenaule, with Davins reversing last year result. Carrick Swans v C J Kichams Mullinahone was played ending in a draw. With drama in the Board room over the replay, eventually taking place in September. Maybe we would have an all Carrick Final or a repeat of last years final, neither was to be, with a new Final pairing, Carrick Davins & C J Kichams Mullinahone. This pair met in Rd 5 game of the League drawing 1-15 each and last met in a Final in 1995 with C J Kichams 5-11 Davins 0-10 on that occasion taking the honours. With both teams making great progress as the year unfolded, todays match should be a thriller. The hunger of 16 years out in the wilderness by Carrick Davins will certainly put it up to C J Kichams who were defeated last year in the semi final. They have regrouped with their county players Paul Curran, Eoin Kelly, up and coming Sean Curran, Eoin Fennelly, Cathal Horan and their long serving players AJ Cronin, Paul Kelly, Niall Curran, Ky Vaughan will make it very difficult for a Davins team that has at full back Jonathan Coady ably assisted by Richard McGrath, Michael Ryan, Lee Mackey, Stephen Cronin, in the backline, the stylish Willie O'Dwyer in the middle of the field, 3 Butlers up front with Ger Robinson will all not to be found wanting on this occasion. We wish both Teams the very best of Luck in the Final today in Clonmel Sportsfield the last final at the venue was in 2006. With the Dan Breen final now fixed for Sunday Oct 16 @ 3.30 in Semple Stadium between Clonoulty Rossmore v Drom Inch I would like to thank all the Teams for the enjoyment afforded to us during the year and wish each and every one of them the best of luck in the remainder of 2011.

## 2011 CARRICK DAVINS GAA CLUB

Today is a proud day for all Carrick Davin players, members and supporters, as we once again reach the South Tipperary Senior Hurling Final. It is an accumulation of the dedication, hard work and effort displayed by this group of players and mentors. These players have been loyal to the club over the years since starting out at juvenile level and today we thank all our juvenile coaches and mentors who have shaped and developed their skills and teamwork. Huge credit must go to the current selectors of the panel – Nico Butler, Jimmy Ryan, Paddy Ryan John Robinson and to trainer Don Lyons all have shown true commitment this is their second year in charge and they are clearly doing an excellent job with the players. This is Carrick Davins second season back playing senior hurling after a few years absence, making the step-up after winning the County Intermediate Hurling Final in 2009. Our last victory in a Senior Hurling South Final was back in 1979, where Jimmy Ryan captained Carrick Davins. It is fitting today that Jimmy Ryan is still strongly involved with the Davins, as he is currently a selector with the team. Between 1965 and 1980, Carrick Davins competed in 14 South Finals, winning 11. Our captain today is Keith Condon. A skilled and dedicated hurler, he is a real leader on the field. Carrick Davins was founded almost 90 years ago in 1922. It was named in honour of Carrick on Suir man Maurice Davin who was the Gaelic Athletic Association's first President. Over that time span our club has achieved great successes on the field of play, most recently in 2011 with the Under 16 Football Team winning the County Football Championship and our Junior Hurlers winning the South Title. It is a number of years since we participated in the Junior Championship and we are lucky to have such a committed panel of players. Some of these have returned to game after a few years absence and it is good to see them back playing in the red and white. These successes ensure that Carrick Davins will be prominent in the field of play for many years to come. We have recently developed a state of the art flood-lit Astro-Turf pitch at our club and this has benefited enormously the training of all our teams, especially during the dark evenings. This Astro-Turf is available to hire also. It has been another good year for our juveniles winning an u/16 County Football Title The u/14's competed in this year's championship and the u/12's competed in a number of Blitz throughout the year the Astro-Turf has been extremely beneficial to us and the use of the Green School for our u/6, u/8, u/10 and u/12's will keep the young ones hurling for the winter. In these hard times it is a credit to our club and committee that we can offer these types of facilities free of charge to our members. We thank all involved for their hard work and promotion of the game with the juveniles. Another undertaking was the establishment of the Ladies Football section has generated great interest in football amongst girls in Carrick and they are displaying huge potential. Some have begun training with the Tipperary U 12's County Panel, another great achievement for our club. We thank all the Ladies Committee for their hard work and dedication in getting this off the ground.

## 2011 C.J. KICHAMS GAA CLUB MULLINAHONE

Today we play Carrick Davins, a club with a rich history in our divisional senior hurling final which gives me an opportunity to look at our own history. Founded in 1885 the early years of the club focused mainly on football. In the early years we produced many great players who played an active role not only with their club but also with Tipperary. In 1920 on Bloody Sunday we provided six players to the Tipperary football panel. As the years progressed we developed an interest in hurling in the club and for many years we entered various junior and juvenile championships the big break came in the eighties with the arrival of a young John Leahy. John laid the charge at senior county level and was to start an era in the club which would culminate in the County Senior Hurling Title in 2002. The previous year under the charge of Nicky English he was joined by Brian O'Meara, Paul Curran and the Kelly Brothers Paul and Eoin. All the while we were moving forward as a club improving our facilities and building our own sports complex. These developments were a tribute to the many members who gave so much of their time as volunteers. When we were formed little did we know that a Mullinahone player would Captain and bring home the Liam McCarthy to his county and his native Mullinahone. That Tuesday night will live long in the memories of many Gaels. Little did our founders think 125 years ago that such an event would take place 2011 we entered U18 hurling and football, U21 hurling and football, Intermediate football and Senior hurling team making sure that our tradition of football and hurling still carries to this day. We thank the many players and team mentors who promoted and took part in our championships this year. We thank our supporters who support us vocally and financially. We thank our sponsors Mullinahone Co-Op for their support and belief in our club.

Of course in every club there has to be a juvenile club to ensure we have players into the future. We are very lucky in this respect to have such a dedicated juvenile committee who work tirelessly to promote our games. The annual U12 Inter County hurling tournament is now admired nationally with many clubs seeking to play in it. This year along with many teams from the republic we had Naomh Eoin Belfast, O'Donovan Rossa, Kevin Lynch's Dungiven, Eoghan Ruadh Tyrone and Castleblaney Monaghan. Our host families in the parish housed over eighty children and in all over six hundred U12's and U10's enjoyed a great weekend in Mullinahone. We sincerely thank our juvenile club for their dedication.

I wonder did our founders think that their idea of founding a GAA club would have such an effect on the life style of our community. Did they foresee that 2010 would yield the Tipperary senior hurling captain along with the Liam McCarthy cup, two all-stars, three senior hurling panellists, an All-ireland winning U21 player, two county minors and a member of the Tipperary senior football team. We've come a long way 'For the credit of the little village'.
