This Tenant Michael Flynn has now been evicted & consequently the whole of the above arrears have been lost to the Union. It is difficult to fix the responsibility for this loss owing to the irregular manner in which the guardians are in the habit of giving instructions. In this ~~particular~~ case however I have frequently warned the Collector not to take instructions from the guardians for the Stay of proceedings unless given to him in writing & the Clerk as an Order of the Sanitary authority. He has no such order to produce nor do the minutes contain any such order I cannot therefore avoid holding him responsible for portion of the Costs which occurred in his own time & this I have assessed at £3. Which I must call on him to refund
