A Cist Grave, Field Boundaries and Field Cairns

By Martin G. Doody

This article, published in the 1992 *Tipperary Historical Journal*, refers to 8 Plates and 8 Figures. Unfortunately, none of the 8 Figures was published. The editor regrets this omission.

The 8 missing Figures are now published in the following pages. In addition, a separate correction slip for insertion in the 1992 issue, informing readers of the publication of the missing Figures in the 1993 issue, is enclosed with each copy of this issue. This slip should be inserted at p. 222 of the 1992 *Tipperary Historical Journal*.
